Samatvam

Service – Humanity – Journey

Progress Report 2018 - 2019

Lead me from Untruth to Truth
Lead me from Darkness to Light
Lead me from Death to Immortality

Sarvodaya and Anthyodaya

Health Care for All

- **Sarvodaya** means ‘development of **all**’
- **Anthyodaya** means ‘development of the **last**’
- **Sarvodaya** through **Anthyodaya:**
  - “Welfare of all through the weakest of the society” – Sri Mahatma Gandhi [1908]
  - Inspiration: "Unto This Last", John Ruskin

Mission of Samatvam will always be health care of highest possible quality to the highest possible quantity, with emphasis on the socioeconomically underprivileged sections of society.

Samatvam – Jnana Sanjeevini

The barefoot doctor who has caused a 1,000 healthy smiles

A rural 'doctor' initiative to tackle diabetes and blood pressure, where elementary testing and counsel is dispensed by barely literate people

Vandana.Kamath
@timesgroup.com
TWEETS @VandanaKamath18

A medical degree is not the only thing that saves lives, and Ratna Srinivas, 48, an eighth standard dropout and the wife of an autodriver, proves that.

Thrice a week from 6am she wears a white coat and sets off to the villages with a diabetes testing kit and a kit to measure BP. The minute she spots anything wrong, she advises people of dietary and lifestyle changes. The more serious cases are referred to either the nearest hospital or the organisation that trained her, Jnana Sanjeevini, under the Samathvam trust.

Ratna, or Ratnamma, as she is known in the villages she works in Ramanagaram district, has a niece with Type I diabetes. "I start-
